

ANNEX A

Technical Specifications

Tender Ref.: BGD - UNHCR ITB 3694

For the Supply and Delivery of 10 Ltr Plastic Bucket (Green & Red) With Lid

1. REQUIREMENTS

The estimated quantity to be ordered is 48000 EA 10 Ltr Plastic Bucket (colour split: approximately 50% Green and 50% Red, or as specified in the individual Purchase Order). The quantities contracted under this one-off procurement may vary. The orders will depend on the actual requirements, the funds available with UNHCR, and will be regulated by issuance of individual Purchase Orders.

2. SPECIFICATIONS OF 10 Ltr PLASTIC BUCKET WITH LID

Parameter	Requirement
Material	High-Density Polyethylene (HDPE)
Capacity	10 Litres (+/-5%)
Weight	Minimum 450 grams
Wall Thickness	Minimum 1.8 mm
Colours	Green and Red
Handle	Plastic or metal, strong and suitable for regular handling. The handle should have no sharp edges and should preferably include a comfortable roller grip, securely fixed to the bucket
Lid	Tight-fitting and secure while remaining easy to open and close during regular use. The lid shall be the same colour as the bucket body.
Drainage Holes	Two (2) holes , each 0.5 inch (12.7 mm) in diameter, shall be provided on two opposite sides of the bucket, positioned approximately 2 inches (50 mm) above the bottom of the bucket.
Durability	Impact resistant and suitable for Bangladesh climate
Lifespan	The lifespan of the bucket should be a minimum of two years
Manufacturing defects	Note, that manufacturing defects, such as warping, flow lines, burn marks, flashes, etc. which compromise the visual appearance and quality of the bucket and the lid are not allowed.

3. PACKING SPECIFICATIONS AND INSTRUCTIONS

The vendor shall be responsible for packing the 10 Ltr plastic bucket conforming the quality, and colour. The supplier may propose the most efficient packaging configuration that prevents damage during transport.

Buckets of each colour (Green and Red) shall be packed separately and clearly marked by colour to facilitate sorting and distribution at the point of delivery.

4. SAMPLES

Samples shall be submitted without logo.

(HOWEVER, the awarded bidder must commit to submit samples before the first delivery. Acceptance of such a sample will be a pre-requisite for delivery. If the awarded bidder fails to provide an acceptable sample, the Purchase Order will be terminated).

Presentation of sample(s) of the 10 Ltr plastic bucket is a mandatory requirement constituting part of the eligibility evaluation criteria. All bidders are required to send sample(s) of the 10 Ltr plastic bucket offered, in

BOTH colours. The sample(s) will be examined for conformity to the technical specifications detailed in this document.

A sample set is composed of: **one (1) 10 Ltr Green plastic bucket with one (1) lid, and one (1) 10 Ltr Red plastic bucket with one (1) lid (total: two buckets and two lids).**

Failure to provide the required samples (in both colours) will render the entire bid non-responsive, leading to its rejection.

Approved sample-items will be used by UNHCR for benchmark comparison with the products ordered under the one-off procurement for the Supply and Delivery of the 10 Ltr Plastic Bucket. Prior to acceptance of any delivery, a designated UNHCR must verify and confirm that the items provided against subsequent Purchase Orders fully match the approved samples in terms of technical specifications, material, colour, workmanship, and brand/manufacturer. Discrepancy between the approved samples and the items provided against subsequent Purchase Orders will lead to rejection of the entire order.

The 10 Ltr plastic bucket delivered against any Purchase Order must be of the same technical specifications, material, colour, and brand as the samples presented and approved during the bidding process.

Samples shall be provided free of charge, with no guarantee that they will be returned by UNHCR, unless the vendor agrees to take them back "as-is" and pays for their return, if applicable. UNHCR gives no guarantee as to the condition of the samples upon completion of possible testing and the follow-on technical evaluation process.

The samples must contain a label or marking which can identify the bidding company and the tender reference number, i.e. BGD UNHCR ITB 3694, and indicate the colour (Green/Red).

Bidders must send the samples to the following address:

UNHCR SUB-OFFICE COX'S BAZAR,

MOTEL ROAD, COX'S BAZAR, BANGLADESH

Deadline for delivery of samples – 29 October 2026 at 04:00 PM BST.

5. PRODUCTION AND DELIVERY CAPACITY

The 10 Ltr Plastic Bucket supplied under the future Purchase Order(s) are to be delivered DAP to local areas of UNHCR's operation, such as the Nayapara, Teknaf, Cox's Bazar.

Delivery lead time: Bidders must indicate their shortest delivery lead time and their maximum production/delivery capacity per week. Bidders must be able to deliver the full estimated quantity within the **maximum lead time 60 days**. Bids offering longer lead times than specified will not be considered.

Bidders are encouraged to reference their factory's production capacity (e.g., number of injection-moulding lines/machines, tonnage, and daily/weekly output for buckets of this size) to demonstrate their ability to meet the required delivery schedule, consistent with the practices of established Bangladeshi HDPE houseware manufacturers.

6. ADDITIONAL INSTRUCTIONS

Please add additional relevant details regarding quality / ingredients / hypoallergenic properties of the relevant items.

END
